To prepare you for your closing, below is a checklist of all the necessary items typically needed on or before your closing.

If you need to get in touch with your closer, simply follow the link to the Closing Officers page on our website.

- Driver's license or picture ID
- Wired Funds (contact your closing officer for instructions)

Note: Cashier's checks are subject to clearance time by banking institutions and may delay the disbursement of your closing. Only wire transfers are treated as good funds and are made available for immediate disbursement.

- Information on how title is to be taken (visitcss.com/holding-title/)
- Home Owner's insurance documentation

*Contact your closing officer if you have any questions.
